**Welcome Friends,

Newsletter.**

I hope to publish One a Month

Good News!

We have managed to organise another Garden Visit for the group.

We will be visiting the garden of Chris Cheeswright, who is a member of the National Garden Scheme and is included in this year's NGS Calendar.

The garden visit is on **17th July** this year and will take place **from 14:30hrs (2:30pm) till 16:30hrs (4:30pm)**

The address is;
**2 Cedar Avenue. Wickford.
SS12 9DT.**

Besides gardening, Chris is Chair of the Federation of British Aquatic Society and has a pond in the garden.

Chris has given the group a reduced price for our visit, as a favour to the club, and has quoted £30.00.

If any members would like to attend this garden visit, it will cost you **£2.00 each**. This money needs to be paid no later than the meeting on **Monday June 19th**, as we need to communicate numbers to Chris, for catering purposes.

Food Donations

A wonderful show of support from the members, who brought in enough to fill Angela's Washing Basket for this project.

Thomas and Gail were overwhelmed by the response and thank everyone for their donations. We will continue to collect for this project, for a while, so if you would like to donate a tin of food or something similar, then please bring it along on a Monday meeting, thank you.

A reminder

For those who wish to take part in the **Spud Challenge** this year. Potatoes and growing bags will be on sale at this meeting.

The HUT
will be open as usual.
